

CTCI MIAMI 2004

“GOLDEN ANNIVERSARY” THUNDERBIRD.

The Classic Thunderbird Club International will be holding their bi-annual convention in Miami, Florida in May 2004. This year being the 50th. anniversary of the launch of the Thunderbird. CTCI member David Angel has commissioned Durham Classics Automotive Miniatures of Canada to hand make, especially for this convention, the Thunderbird 1/43 scale models shown above. The models are finished in gold metallic or pearlescent white, with gold plated brightwork and red interiors with gold seat inserts. Licence plates read “Florida 2004” Each colour combination is limited to 100 pieces only.

The price of each model is £110. sterling inc. post and packing. (USA and Canada only).
To addresses outside N. America £115. sterling inc. post and packing.
All credit card orders are charged in pounds sterling. All models will be sent direct from the factory.

Please send credit card details (Visa and Mastercard only) to David Angel, Wardon Hill,
Dorchester, DT2 9PW, England.

Please send your order as soon as possible as these models will be sold on a first come first served basis.
